How to Apply with existing KBZ Bank Account

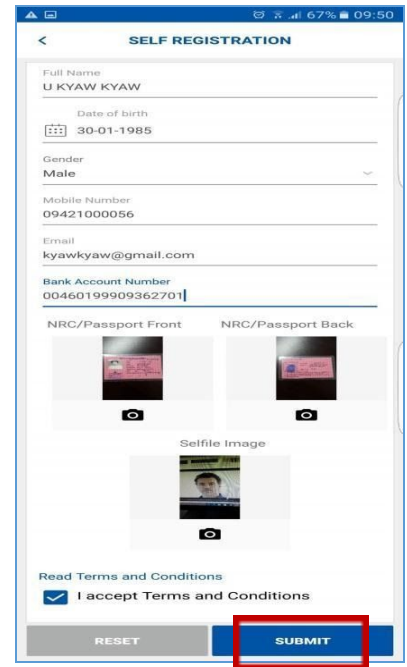

1. Download and open KBZ mobile banking application. Then Enter “Register Now” to register the mobile banking account.
2. Choose “KBZ Bank Account” to register with your existing KBZ bank account.
3. Fill up the required information (Name, DOB, Phone Number, Email and **17 digits** KBZ bank account). Then, save your NRC front and back photo as well as your cleared selfie photo.
4. Read “Terms and conditions” and then submit after selecting “I accept terms and conditions”.
Click “Submit” after you double confirm the information.
5. Click “OK” and you will receive the successful pop up notification of the self-mobile banking registration. And KBZ Bank will call and inform you once the confirmation process is completed to verify with your information.
